<i>Instructions for the Referee:</i>
Please fill out the following questions and email it to nathan@engadiministries.org . This is an important document. Please do not "blow it off." Much of this person's time will be spent with inner city kids in Guatemalan City's poorest neighborhoods. This experience and adventure is not for the "fainthearted". It is ideal for someone who is motivated to handle several months of hard work and significant cross-cultural living.

Please tell us what you know about the applicant's faith. How do you see them living out their Christian faith these days?

What kind of gifts and abilities do you see in the applicant that you think will have the most impact on others?

How well does this applicant work within a group? What is their behavior within a group setting? (ie. are they a leader, a follower, etc?)

Missions experiences can be intense and cross cultural experiences difficult. How do you think the applicant will be able to handle (emotionally, spiritually) a new cultural situation?

Can you tell us anything else about the applicant that you think is important for us to know?
